By signing this Balance Transfer Form, I am authorizing payment of my outstanding major credit card balances by utilizing my Community Resource Credit Union MasterCard®/Visa®. I understand payment of balances I have indicated is subject to approval by Community Resource Credit Union and in receipt of completed, legible Balance Transfer Form, I agree that these transferred balances shall be treated as cash advance(s) according to the terms set forth in the Credit Card Agreement and Disclosure Statement for Your MasterCard®/VISA® Account which will be mailed once the application is approved.

I understand payment of the amount(s) authorized by me may not pay off the total outstanding balance(s) of the designated account(s) and that I will continue to be responsible for those balances that remain unpaid. The Balance Transfer Form may not be used to make payments towards amounts I owe to Community Resource Credit Union, to myself or to cash.

I understand that it may take several weeks for balance transfer payments to be processed and that I am responsible at all times for making required payments on my other credit accounts. Community Resource Credit Union is not responsible for interest charges and fees that may be charged to my other credit accounts pending completion of a balance transfer request. If I transfer a balance that contains a disputed amount, I acknowledge that I may lose certain dispute rights.

*APR = Annual Percentage Rate. From October 1, 2019 to September 30, 2021 qualified new and existing borrowers will receive a non-variable intro/promo rate of 2.99% APR for 15 months with no balance transfer fee, based on your creditworthiness. Intro/Promo rate is only valid on new balance transfers from other financial institutions. After the non-variable intro/promo rate period ends, the new variable APR on outstanding balance transfers will be the standard balance transfer APR on your account which ranges from 7.24% APR to 16.74% APR for MyPath Premier MasterCard and 10.24% APR to 15.24% APR for MemberSelect Rewards MasterCard. The variable APR will vary based on your credit worthiness. For borrowers not qualifying for the intro/promo transfer rate, the rate will be the standard rate of the card type chosen. To qualify for this intro/promo APR, new balance transfers must be completed by September 30, 2021. Please see our Terms and Conditions for rate, fee and other cost information. All terms including the APRs and fees are subject to change at any time for any reason in accordance with the Agreement and Disclosures Statement and applicable law. Limited time offer.
